AGENDA ITEM # 2

TO: Parks and Recreation Commission
FROM: Manuel A. Hernandez, Staff Liaison
SUBJECT: Know Your Park Contest Feedback

RECOMMENDATION:

Discuss responses received through the 2015 Know Your Parks contest

BACKGROUND

Over the summer of 2015 the Parks and Recreation Commission coordinated a “Know Your Parks” contest for school age children. The contest consisted of completing a survey on Los Altos parks as well as submitting an art piece pertaining to parks. The contest ended in September. There were thirteen entries received.

DISCUSSION

The Parks and Recreation sub-committee that worked on this program gathered the feedback from the entries and compiled them on a spreadsheet (Attachment A). The sub-committee would like to share the information from the surveys and discuss the responses received through the 2015 Know Your Parks contest.
